The following named persons have been appointed supervisors of election for Gladden's Grove precinct:
Jesse A. Gladden (Dem.)

We give in this issue much less than the usual quantity of local and editorial matter—giving place to other and more important items.

A colored man in town recently tried to play the role of martyr to political persecution by leaving his employer, without notice, and alleging that he had been turned off on account of his political opinions! Send for the marshals. Send for Corbin. Send for Eaton.

A colored Democratic Club was organized at Harrison Flats, near Ridgeway, a few nights ago, under the direction of Messrs. J. Q. Davis and R. H. Edmunds. The Club already numbers upwards of twenty members, with Aquilla Harrison as president, and Nicholas Harrison as secretary.

A SAD OCCURRENCE.—The Charleston papers announce the death of Mr. J. C. Bulow, formerly a resident of Fairfield county—which occurred at Summerville on the 27th inst. He was killed by Mr. H. S. Leiby in an altercation of a purely personal nature. We tender our sincere sympathy to his family and friends in their sad bereavement.

DEATH OF MRS. WARREN R. MARSHALL.—This estimable lady passed peacefully away, at Ridgeway, on last Thursday afternoon, of Typhoid Pneumonia, the result of nervous prostration. The ladies of the community ministered to her patiently, and with sweet, womanly sympathy during her illness. Mrs. Marshall leaves five bright little children, to whom the love of all is affectionately extended.

FOURTH QUARTERLY CONFERENCE.—On next Thursday and Friday, November 9th and 10th, the Fourth Quarterly Conference for Winstonsboro Station, and for Blackstock Circuit and Mission, will meet at the Methodist Church in Winstonsboro. Services on Thursday evening at 7 p. m., on Friday morning at 11 a. m., and 7 p. m. Rev. E. J. Meynardie, D.D., will preside and preach. The public are cordially invited to attend.

THANKS.—We are requested to publish the following:—
Mr. Editor:
Please return through your columns the thanks of the Doko Democratic Club to the town authorities of Winstonsboro for the hospitable manner in which the Club were entertained on Saturday, the 21st inst.; also to Mr. Gooding for the care and feeding of our horses, and to Mr. J. D. McCauley for a good supper on the occasion.
W. E. McNULTY,
Cor. Sec'y.

We were gratified to know of the hospitable reception given to the Doko Club. They deserve it all.

DENTAL NOTICE.—Dr. Isaiah Simpson, surgeon dentist, of Charlotte, N. C., begs to inform the citizens and public generally that he will visit Winstonsboro professionally on the 6th day of November, and remain ten or twelve days. A preliminary examination was held on Friday last by Justice Robertson in the case of the State vs. David Jones, George Jackson, Jim Jackson and Adam Jackson, charged with stealing two bales of cotton from Mr. Thos S. Brice, on the 21st of October. Jones was represented by Lieutenant-Colonel S. R. Dickerson, Esq., and the other three by Jas. G. McCants, Esq. After hearing three witnesses on the part of the State, and argument by counsel, Adam Jackson was discharged by the Justice, and the others required to give bonds in the sum of \$300 each for their appearance at the court of sessions.

Resolved, That we, the merchants of Ridgeway, bind ourselves most

so,emly to the following compact that is to say:

In view of the great political and financial distress of our State, having its origin and continuance in and by the persistent dishonesty and stupidity of the negro race, banded and led by a few strangers, and we being convinced that no argument can, by reason of this malignity, possibly reach the hearts or minds of this people, and being weary of extending to them the kindly facilities of business, and neighborly intercourse, having received in return only personal and political opposition and enmity:—We refuse utterly hereafter to subsidize, or assist the leaders (and their families) of pretexts or factions; and if by necessity we are forced to issue supplies to others who use their ballot against the common interest of our country, that we will do so only at prices that cover our taxes, and his, her or their *pro rata* share of the expenses of the general government—which onerous burden they with their own hands have placed on the shoulders of the citizens of the State.

We also pledge, promise, and obligate ourselves, to assist and subsidize and encourage all those who vote the Reform and Home Rule ticket, and those who, by absenting themselves from the polls purposely do not vote against us. We further promise, agree and pledge ourselves to discountenance any white or colored man who will indirectly furnish, or cause such persons to be supplied with provisions or general merchandise in any manner whatsoever, to the defeat of this pledge and obligation.

Ellenton and Its Moral.
From the New York Herald.

What we chiefly notice in the whole matter is that the Governor of the State appears to have taken no part in it or notice of it. He seems to have turned it over to the Federal powers; and it remained for the United States troops to step in between the combatants and stop the struggle, which was done at once, the whites disbanding and going home without a minute's hesitation, as soon as the Federal captain appeared and promised that the negroes should also disband and cease hostilities. Now, there is no hope of any community where the local authorities are thus abject and inactive. If Governor Chamberlain had in no other way shown his unfitness for the office to which he aims to re-elect himself, his conduct in this Ellenton affair ought to cause every man, white and black, in the State, to vote against him. The colored men, in particular, ought to vote against him, because they, above all others, need a State government prompt to put down lawlessness, whether it arises in their own ranks or among the whites. All experience since the war proves that the negroes cannot make a successful stand against the whites in these irregular and intestine conflicts. They have, as at Vicksburg and elsewhere, been ready enough to begin a fight, but they always got the worst of it, because they are badly led by doubling knaves who lead them into trouble only to desert them in the moment of action. Gen. Hampton has, on every stump in the State, promised equal and complete protection to the blacks. We advise them to take him at his word and vote for him solidly. He is a man of character, and cannot afford to forfeit his word; nor does he want to.

The colored men of the South have no more zealous friend than Senator Boutwell. Let them act upon the advice which he this past summer, on a full review of the situation in Mississippi, gave to the leading colored men in that State. He advised them to nominate for every office in the State prominent, honest, white, native or old residents of the State, and fully identified with it; to trust themselves to these and vote for them in a body. Under this advice the colored voters of South Carolina should not hesitate to support Gen. Hampton and the Democratic State and local tickets. If they do this they cannot fare worse in any event than they have done under Chamberlain, and they are very sure to fare better. Governor Chamberlain has not brought peace or prosperity to the State or to the negroes. His unfitness for the place he holds, and his selfish schemes to retain, is manifest. Respectable colored men can have no interest in making themselves the tail to Mr. Chamberlain's kite. Their interest lies in good government, and that, experience has shown them Mr. Chamberlain lacks the capacity or the desire to give them.

Arrival of Almost a Ton of Gold at Oh yno.
The *Leader* announced the arrival at Port Lymarie of W. P. Wheeler and party with one thousand and nine hundred pounds of gold, gathered from one claim on Deadwood Creek, Black Hills, during the past five months. Mr. W. P. Wheeler and his partners, C. Farnham, R. Ryan and Joseph Webber, arrived here yesterday noon, accompanied by an escort of fifteen men, who were paid two hundred dollars each for their services in accompanying and guarding the treasure trove from Deadwood to this city, the trip occupying eight days. A reporter of the *Leader*, accompanied by Mr. W. H. Bennett, of Alpha Mine fame, visited them. After a pleasant chat about the hills the reporter asked to see the gold, and Mr. Wheeler unlocked the stout satchels in which the gold, which was enclosed in buckskin-bags, was packed, taking out bag after bag until there was scarcely space on the floor of the large room where an ordinary sized foot could have been put down without covering a bag of dust, and then there were still several unopened satchels. Several bags were opened, the gold appearing to be all of one character—in coarse, flat flakes, with not over five per cent. of it flour-gold or dust. Wheeler and his partner left here for the mines March 27. Upon arriving they purchased claim No. 2, on Deadwood, which they worked with a force of from sixteen to thirty men, until September 8, when they sold out and started for Cleve-land. The biggest clean up for one day's work was 118 ounces. Their pile closely approximates 1,900 pounds worth over \$400,000, and they propose to take it to Philadelphia, have it coined, and use it themselves. They propose to have a good time, but are not men who will throw money away. They had no trouble coming out, though they saw a few redskins. They will remain here two or three days yet.

IN MEMORIAM.
Died, at Mount Pleasant, near Charleston, on the 7th of October last, after a painful illness of thirty days, **LUCY NELSON CAMPBELL**, second daughter of Rev. Wm. H. Campbell, pastor of St. Luke's Church, Charleston, S. C.

Seized with the same fatal fever a day before her end and dearly loved brother, it was for a short time doubtful which of the two would die first. She lingered for nearly three weeks, suffering, but too ill to be informed of that and even beautiful in person and lovely in character, all hearts were drawn to her, and her own warm and affectionate heart went out in kindness and love to all. Admired for her personal charms, and loved for her sweet and gentle manners and generous, unselfish, loving nature, she had much to make her cling to this world. But, happy as her life was, grace enabled her to say to her Father in Heaven, "Thy will be done."

About four years previous to her death, she had given herself to Christ, received the rite of Confirmation, and practised, as she had done through life, the graces of the Christian character. In her long and trying illness, she manifested wonderful patience and submission to God's will, not a single murmur or word of impatience escaping her lips, and never for a moment losing her composure for others, but at all times manifesting a patient and heavenly spirit very seldom witnessed. No flower laid on her bier by the hand of affection was more pure and lovely than her own sweet self.

The passage that the dark valley was hard and trying, but Christ sustained the timid, gentle and saintly girl to the happy land where there is rest after suffering, and calm after storm. The heaven was at last peacefully reached, where she would be, and where she said with dying breath, "I want to go."

To her the trials of life are over, her brow is crowned and her low, sweet voice so sweet on earth, is tuned to the melody of Heaven. Loved ones left behind, we do not for another bright spirit added to the angelic throng, another gem in the Savior's crown. Listen with the ear of faith:—

"I shine in the light of God,
His likeness stamps my brow,
Thy Father's hand I've trod,
And I reign in glory now."
"No breaking heart is here.
No keen and thrilling pain.
No waste of tears and sighs,
Off hath rolled, and left its stain."
"No sin, no grief, no pain—
But peace in my happy home,
Fears and troubles are all behind,
And my hour of triumph come!"
"Oh! friends of my mortal years,
The trusted and the true,
Who are still in the vale of tears,
I wait to welcome you!"

VEGETINE
Purifies the Blood, Renovates and Invigorates the whole System.
ITS MEDICAL PROPERTIES ARE
Alternative, Tonic, Solvent and Diuretic.
VEGETINE is made exclusively from the juices of carefully selected herbs, roots and barks, and so strongly concentrated, that it will effectively eradicate from the system every taint of Scrofula, Syphilis, Eczema, Tetter, Cancer, Cancerous Ulcers, Erysipelas, Salt Rheum, Syphilitic Diseases, Cancer, Faintness at the Stomach, and all diseases that arise from impure blood. Scarcely a person who suffers from Rheumatism, Neuralgia, Gout and Spinal Complaints, can only be effectively cured through the blood.
For Ulcers and Eruptive diseases of the Skin, Pustules, Pimples, Blisters, Boils, Eruptions, Scalds and Ringworms, Vegetine has never failed to effect a permanent cure.
For Pains in the Back, Kidney Complaints, Dropsy, Femur Weakness, Leucorrhoea, arising from internal ulceration, and uterine diseases, and General Debility, Vegetine acts directly upon the causes of these complaints. It invigorates and strengthens the whole system, acts upon the secretory organs, allays inflammation, cures ulceration and regulates the bowels.
For Catarrh, Dyspepsia, Habitual Constipation, Palpitation of the Heart, Headache, Tics, Nervousness and General Prostration of the Nervous System, no medicine has ever given such perfect satisfaction as the Vegetine. It purifies the blood, cleanses all of the organs, and possesses a controlling power over the nervous system.
The remarkable cures effected by Vegetine have induced many physicians and apothecaries to whom we are now to prescribe and use it in their own families.
In fact, VEGETINE is the best remedy yet discovered for the above diseases, and is the only reliable Blood Purifier yet placed before the public.

PREPARED BY
H. R. STEVENS, Boston, Mass.
WHAT IS VEGETINE? It is a compound extracted from herbs, roots and barks. It is Nature's Remedy. It is perfectly harmless from any bad effect upon the system. It is a refreshing and strengthening agent, it acts directly upon the blood. It quickens the nervous system. It gives you the sweet sleep of night. It is the great Blood Purifier. It is a soothing remedy for our children. It has relieved and cured thousands. It relieves and cures all diseases originating from impure blood. Try the Vegetine. Give it a fair trial for your complaints; then you will say to your friend, neighbor and acquaintance, "Try it; it has cured me."

VEGETINE, for the complaints for which it is recommended, is having a larger sale throughout the United States than any other one medicine. Why? VEGETINE will cure these complaints.
